Missionary Spotlight

Joel & Crystal Yoder and Family with MTC in NYC

We are in our second week of LTO. We have only 10 students this time, and no families, so it definitely feels different than it did this spring. It has been going well though, and I'm grateful for the opportunity to impact the lives of these students. Our group seems to be bonding well together and we are getting some good interaction in the classroom. Our team has been struggling some with sickness this week. Please pray for healing...

From our family: Kurt & Jerrica finished school on Friday and are officially in Summer Vacation! (and they are loving it :) Kurt and Kendall are working at Chick-fil-A. Kurt moved up to working full-time over the summer. I am so grateful for the way that God provided jobs for our children here. We praise Him for his provision for us.

Church life is going well. We have our struggles but God has been good. Over-all, people love being at church and we love each other. Pray we can disciple those who are coming and that we will impact our community.

Some prayer points:

- Wisdom for the teachers as they present material this LTO.
- Good health for everyone.
- Good interactions during the outreach times. Our church has benefited from people who were met during the outreach times.
- Please keep praying for an older experienced couple to help with teaching, mentoring, and debriefing.
- Pray for us to be able to invest well at church also. Pray especially for Joel as he leads the Bible Study with the Chinese people who come regularly.

Thanks for praying, Joel
