Missionary Spotlight – Joel & Crystal Yoder Family

Hello Everyone at Calvary,

We just finished our Summer LTO and sent our students off to various places around the world. We had only 10 students but they were all very invested in the classes and were a pleasure to teach. While I really enjoyed LTO it made me aware that we need more help before we are able to do a Summer LTO again... We simply don't have enough bandwidth to reach around.

We've really enjoyed having Janae home for the Summer also... Kristen was here for a few weeks but headed off to Fatih Builders for their summer term so we only had one weekend with everyone here at the same time. It made me realize how much we need to treasure our children and our times together. I was also reminded though, of the blessing that it is when our children head off into the world to help advance the Kingdom of God.

We are looking forward to a time in MD at a house for 6 days... We were gifted a get-away, which is a huge blessing, one that we are really looking forward to...

Life at church keeps going on also... we had several more people come on Sunday for the first time. It is neat to see how God is bringing people to us, but we need help to disciple them... We have a problem that many churches would love to have... we have more new people coming than we can disciple. I certainly don't want to pray for people to stop coming so I guess we must pray for people to join us in the work! I would love to see someone with pastoral experience who would want to come to the city, who could help with teaching and discipling seekers. The ability to speak Mandarin would be a huge asset.

Please pray with us...

- ...for someone to help disciple the Mandarin speakers
- ...for a couple to join the MTC Team to help with teaching, mentoring, and debriefing
- ...for sustainability in ministry
- ...for wisdom to balance time between the MTC and church
- ...for a good time together with our family in August

Thank you all for praying for us and financially supporting us. We greatly appreciate you standing with us, and you are part of the ministry here through your support. God sees your heart, and I pray He rewards you. Blessings, Joel, for the rest of the family
