Family of the Week– Jonathan & Althea & family

Dear CME family,

We are home and well. The children have started the fall semester. I am slowly clearing the summer's dust out of corners while I keep the family circus acts running and the housekeeping details caught up.

Jonathan is plugging away at work details. We hope to get more people involved, people with gifts that balance those already among us. Pray for us as we look for those people.

Isaiah continues to hurt, but we now know that we will just have to live with it. At least for now. It makes school *really* hard for him. He's homeschooling only this year, and we are only focusing on three core classes. Prayers appreciated!

Earthquake and flood victims in the region are heavy on our hearts. Pray that the Spirit will use the pain in people's lives to bring Life!

Love,
Althea, for the Bylers
