Missionary Spotlight – Micah & Carissa Krabill

SEAMS Family in NYC

CMF Family, with summer flying by, we find ourselves looking for ways to make the most of the natural community interactions that we have while people are still out and about. We are grateful to the Lord for the connections in our Community and specifically for the people we feel especially called to. One of our connections, “L” has been at church recently and is very serious about putting his trust in Jesus as Messiah. Will you pray with us for him and his friend who is coming with him? We are grateful to you for your prayers and care! They mean more than you will ever know.
