Missionary Spotlight – Henry & Deb Blank

DNI President in NYC

Hello! Long-Term Orientation finished up last week at the MTC. It was a really good group of students, and I very much enjoyed teaching and interacting with them. Clay Mast was one of the students. He is planning to go to Cambodia for 6 months at the end of this year for the English teaching internship. Tom Gearin, who is joining DNI as the Europe Field Director, was also one of the students. I spent several days with him this week doing onboarding for his role. Jeff Meyers has been approved to join the admin team as director of operations. He and Samantha and their daughter are planning to move to NYC in December. Ian Miller and Austin Priest are starting to phase out of their roles with the admin team and will be concluding at the end of the year. They have served with such excellence and will be greatly missed. We would appreciate your prayers for wisdom and skill in the transitions.

We are also searching for a Director of Partner Development to take Mike Allgyer's place. We don't have any solid leads at this point. Please pray that God would connect us with the right person for this role. We would also appreciate any names you might have to suggest.

Last month our son Josh moved to Brooklyn and is renting an apartment with Avery Schwartz (Rich and Sandy's son). This is much more convenient for Josh as he attends Verrazano Fellowship in Brooklyn. Travel to that part of the city can be more than an hour at times. Pray for God's grace and wisdom in all of the transitions. Pray that we would remain rooted and grounded in His love, abiding deeply in Christ each day.

Thanks for Praying! Henry
